If you're going on line you must beware,  
There's danger out there  
And you have to take care.

Your mum and dad must know,  
On which site you go on.  
The web can be sweet, if you use it swell,  
If you use it well.

You wanna stay on trend,  
Only talk to your friends,  
If you hear from a stranger  
This could mean danger!

The internet is cool,  
But don't be a fool!  
Don't play on it all day,  
Still go out and play.
