

# Creative WRITING COMPETITION

Warwickshire  
Safer Internet  
Day 2019

## How to apply

There are three age categories: **6 to 8**, **9 to 11** and **12+**.  
The competition is open to all young people who fit the age criteria and who live in and/or are educated in Warwickshire.

### What you need to do

Write a creative piece – maybe a poem, a song or rap, or a short story piece – based on one or both of the Safer Internet Day 2019 themes:

- **together for a better internet**
- **respect online**
- **#BeCyberKind**

Your entry should encourage other young people to be safe on the internet – whether they're using their smart phones, consoles, tablets or computers. So can you tell us what children and young people should think about, or what they should know, to be safer online?

Your entry must be up to (but no more than) 200 words and must be your own work.

You will need to write or type your entry on a sheet of A4 paper (unless you're entering online). Please write clearly.

Remember to put your name, age, address and school on the back of your entry, so we know it is yours.
